CELCOMDIGI: account confirmation

AU

Admin User (via CD) <noreply_cdket@myson.com.my>

To: User Tester

Today at 11:11 PM

Hi,

A new account has been requested at 'CELCOMDIGI' using your email address.

To confirm your new account, please go to this web address:

<link>

12

In most mail programs, this should appear as a blue link which you can just click on. If that doesn't work, then cut and paste the address into the address line at the top of your web browser window.

If you need help, please contact the site administrator,

Admin User

Steps:

- 11. Check email inbox for the confirmation email sent
- 12. Click on the link as shown.

Notes: Check your junk mail folder if the email is not found in the inbox folder.

User Registration 5/5

Steps:

13. Click on **Continue** to proceed

User account is successfully created.

User Login

Please use any popular web browser to login to <link>

Steps:

- 5. Edit Profile page will be displayed
- 6. Scroll below to the bottom
- 7. Ensure the following:
 - Type of Users: **External**
 - Category of Users: **Business Partner (Vendor)** or **Subsidiary of CelcomDigi**
 - Cybersecurity Learning ticked **Yes**
- 8. Click on **Update Profile** to save changes made to profile
- 9. Log Out/Log In again to see the course on your **My Courses** page.

If the course is not there, continue to refresh and login/logout until it appears.

Course Guide (How-To)

- Course basics and navigation
- Module
- Certificate

Course Guide – Basics and Navigation 1/6

Steps:

1. Click on the course to enter
2. The left-side bar is a navigation bar.
3. Click on the activity to enter.
4. To return, simply just click on the back button available on your browser.

Note: For first-time users, if no courses are displayed upon login, please refresh the page or sign out and sign back in. This will allow the system changes to take effect.

Course Guide – Module 2/6

Steps:

5. The learning will be displayed.

Course Guide – Module 3/6

Steps:

These are the functions included in the module player:

- 6. Progress menu for navigation
- 7. Player buttons
- 8. Previous and Next for slide navigation

Note: The module will only be complete if you have gone through until the last slide and complete the quiz. You can retake the quiz if you did not pass.

Example complete and passed like below:

Course Guide – Module 4/6

Steps:

9. When you reopen the module, you can resume or restart the module.

Be careful as choosing “No” will restart module from beginning.

Course Guide – Certificate 5/6

Steps:

10. Click on **Annual Information Security Training 2026 Certificate** to enter
11. Click on **View Certificate** to see the certificate

Steps:

12. The certificate will be displayed. You can download to your device.

12
